Springdale Elementary School Student Directory 2010-2011

The Springdale School PTO publishes a student directory every year. The purpose of the Directory is to foster a sense of community and communication between families at Springdale School. The Directory is published for the sole use of students and their families and should not be used for public distribution.

In order for your student(s) to be included in this directory, we **MUST** have your information by **SEPTEMBER 13, 2010**. This is a **FIRM DEADLINE** as it is our intent to distribute the directory by the end of September. Without this signed form, your student's information will **NOT** be included in the school directory. Remember, participation in the Directory is strictly voluntary. If you do not want your student to appear in the directory at all, simply do not return this form.

You can fill out as much information (everything) or as little (just name, grade, teacher) as you would like to appear in the directory. Your student cannot be listed in the directory without completing this form. Questions? Contact Amy Gragg (amy06907@yahoo.com) or Tina Rella (trella1@optonline.net).

Please fill out the information clearly and exactly as you would like it to appear.
