

SPRINGDALE ELEMENTARY SCHOOL
ROOM PARENT VOLUNTEERS NEEDED

Kids love when their parents help out in their classes. Room Parents are needed to help coordinate class parties and activities with their child's teacher. All parents who volunteer will be part of a committee to help organize these events. Being part of the Room Parent Committee does not require you to attend any of the parties or activities.

Committee members are invited to attend a Room Parent Coffee to meet with other committee volunteers and receive additional information. The Coffee is scheduled for Tuesday, September 21, 2010 at 9:10 a.m. in the Media Center. Please try to attend.

To become a member of your child's Room Parent Committee, complete and return the information below by *September 13th*. Be a part of helping your kids and their teachers have a better school year. Your assistance is greatly appreciated.
